## Save 10% on Union Wireless Service with AT&T

**WASHINGTON, DC** – Now you can save on your monthly wireless plan from AT&T with a 10 percent discount when you purchase your plan because of your union membership. Plus, there may be special offers on phones and accessories that you may be eligible for that can save you even more

This special 10 percent discount off the regular monthly rate for individual or family plans from AT&T is available only to union members and retired union members who are new and current AT&T customers.

AT&T Mobility is the only wireless company that is virtually 100 percent union, with 40,000 CWA members under contract. "For union families, the choice in wireless is clear," says CWA President Larry Cohen. "And now members can take advantage of these special savings while supporting their fellow union members at AT&T and dealing with a company that respects workers' rights to organize."

There are three ways to get the discount:

- 1) Call **1-800-897-7046** and use Discount FAN number 00113662. You may be asked to fax proof of union membership.
- 2) Online at **UnionPlus.org/ATT**. You will be asked to provide your union name and local number.
- 3) Visit your local AT&T store and bring proof of union membership (a Union Plus Credit Card, union membership card, or copy of a paycheck showing union dues deduction) along with the AT&T union discount coupon found at [UnionPlus.org/ATT](http://UnionPlus.org/ATT) or FAN number 00113662. The discount is available at AT&T stores only, not at authorized AT&T kiosks in malls or dealers like Best Buy or Radio Shack.

If you are a new or current AT&T customer, you must sign up for a two-year service agreement to begin the discount.

The iPhone and iPhone and unlimited calling plans are not eligible. This offer cannot be combined with any other discounts. This offer is available only to qualified union members and retired union members. Union identification is required.

**Union Privilege**, founded by the AFL-CIO in 1986, develops and manages the Union Plus benefits program, which uses the combined buying power of America's union members to obtain top quality goods and services at competitive prices. In addition to a money-saving credit card, the Union Plus programs include free and discounted legal services, education services, discounted health services, a home buying program, travel and recreation discounts, and much more.
